

EXHIBITS, DISPLAYS, BULLETIN BOARDS AND PAMPHLET RACKS

The Amery Area Public Library Board of Trustees subscribes to the Library Bill of Rights, Article VI, which states:

Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

The Library uses exhibit and display spaces, bulletin boards and pamphlet racks to promote its goals of information, education, and recreation. Library-produced displays and materials present a range of points of view and do not advocate a single approach.

Library facilities, including a bulletin board and exhibit space, are also available to the public for display and distribution of materials.

- These facilities may not be used for commercial purposes.
- Display of materials does not constitute endorsement of the views of the exhibitor by the Library.
- Space is available to the public on a first-come, first-served basis. Limited bulletin board space generally allows only short-term notices.
- The Library reserves the right to limit the duration of an exhibit or bulletin board posting and the frequency of the use of library space by an individual or group.
- Bulletin board and exhibit requests must be directed to the Library Director or his or her designee.
- The Library Director or his or her designee may request that an exhibit or posting be altered or removed under certain limited circumstances, such as if the materials are too large for the space or adequate security cannot be provided. Alteration or removal of an exhibit or posting which displays material not protected by the First Amendment may also be required.
- The Library assumes no responsibility for the preservation or protection, and no liability for possible damage or theft, of any item exhibited or posted. All items placed in the library are there at the owner's risk.
