

Early Reader's Summer Book Log

Cross out a symbol for each book you read with your child.

Each symbol group equals 5 books read and 1 sticker earned. Bring in your sheet any time to receive earned stickers. After filling in 4 sections (20 books), come in for a halfway prize.

You do not need to complete the entire sheet to earn stickers.

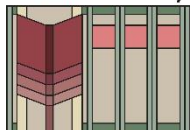

Bring in your completed sheet (40 books) for a free book.

Don't want to keep a paper log? Scan the QR code to track using Beanstack.
