

Kid's Summer Reading Log

Cross out a symbol for each 20-minute block you read. For pre-readers, count minutes the child is read to.

Each symbol group equals 100 minutes of reading and 1 raffle ticket. Bring in your sheet any time to receive earned raffle tickets.

You do not need to complete the entire sheet to earn raffle tickets.

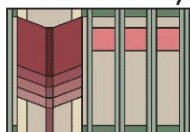

Bring in your completed sheet for a free book.

Don't want to keep a paper log? Scan the QR code to track using Beanstack.
