

Amery Area Public Library Newsletter

Friday, January 26th, 2024

Hello Trevor,

This week was a little warmer outside, which was nice... but we know some patrons are waiting for snow so they can use the [snowshoes](#) they borrowed from us!

This week the Library Board had their regular monthly meeting. They discussed revisions to some of our policies and reviewed our financial reports. The Library Director also updated the Board on our January programming and other matters. You can find information about the Library Board on our website at [amerylibrary.org/library-board](http://amerylibrary.org/library-board). The meetings are open to the public.

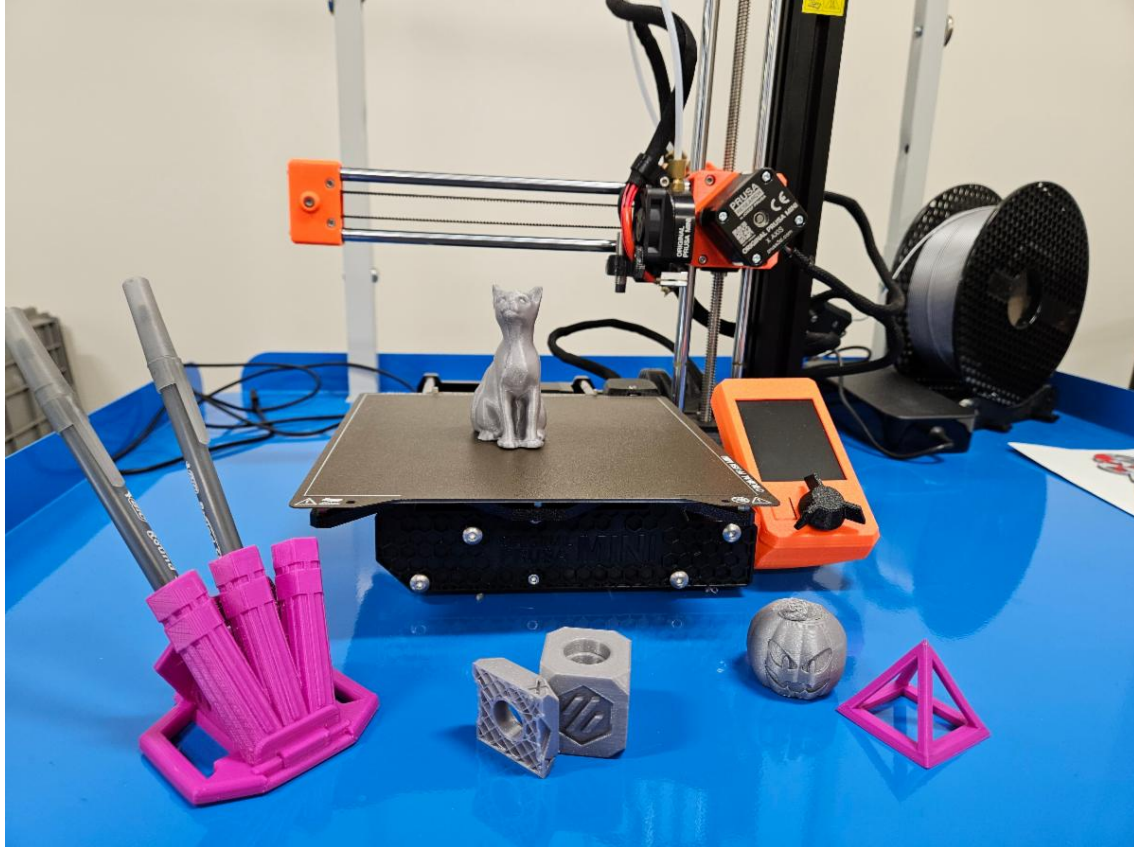

Wednesday we had our weekly Storytime Program where we read stories, sang songs, and did craft activities.

The full-time staff attended sessions at the Wild Wisconsin Winter Web Conference. Sessions dealt with library management, marketing of libraries and library programming.

Next week our Death Cafe group meets on Tuesday and the Books & Brews Book Club meets on Thursday. See below for details.

Thanks for reading,  
the Library Staff

**Spotlight:**  
**3D Printer**

A 3D printer uses computer software to print out 3-dimensional plastic objects layer-by-layer. The library has a Prusa Mini 3D printer.

How do I use the library's 3D printer?

1. Make a design using a program like [Tinkercad](#) OR find a design created by someone else on a website like [Printables](#) or [Thingiverse](#).
2. Fill out the form at <https://forms.office.com/r/Nmu7t9AT5c>. A library staff member will contact you to schedule an appointment.
3. Attend your 3D printing appointment to have your design approved (and make minor adjustments as necessary).
4. Wait for it to print! You are free to leave the library after your appointment and will be notified when your design has been successfully printed.

## Winter Reading & Hygge Challenge

**HYGGE** - (say it: "hue-guh")  
is an idea: coziness, togetherness,  
appreciating the natural world, and enjoying  
ordinary moments as if they were special.

Read books, practice the "hygge" way of life,  
and cozy your way through winter with us!

Pick up a bingo card at the front desk to  
begin our Winter Reading Program.

For every bingo you complete, come in for a small treat and a raffle ticket.

A grand prize drawing will be held on March 1, 2024.

## Next Week's Programs
