

Amery Area Public Library Newsletter

Friday, May 24th, 2024

Hello Trevor,

It was another fun-filled week at the Amery Area Public Library. On Saturday we had our monthly **Saturday Storytime program** at 10 a.m. and our teen/tween book club **Brunch and Books** at 12 p.m.

We had our final student visits this week with three more groups from the Amery Middle School! This older group of students was excited to learn about our upcoming visiting author, Chad Lewis, and his delve into exploring the history of gangsters in Wisconsin. Chad Lewis will be sharing his research with us as part of our Summer Reading Program!

Wednesday, we had our weekly Storytime program. A large group of kids and caregivers came to read about Sasquatch shenanigans at the pool, sing Slippery Fish, and decorate their own unique fishbowls.

Monday is Memorial Day, and we are closed for the holiday.

This Tuesday at 4:00 p.m. we are having the first meeting of our **Pokémon Club!** Team up with local Pokémon trainers to show off and trade cards, make Pokémon-themed crafts, play Pokémon trivia, and more!

On Wednesday at 10:00 a.m. we have our regular Storytime program. Join Miss Emma for stories, songs, and more in the Makerspace.

Thursday, our Non-fiction Book Club meets at 2:00 p.m. We will be discussing books dealing with gardening, as May is National Gardening Month.

Have a great long weekend!

Thanks for reading,  
the Library Staff

Spotlight:

# Summer Reading Program

June 3 - August 3

The theme of our Summer Reading Program is Adventure Begins at Your Library. Join us for a summer of reading and activities for all ages!

We have two reading challenges as part of the program:

## Youth (0-19) Challenge:

For every 75 minutes that you read, you get a raffle ticket for a chance to win a prize! Our prizes this summer include LEGOs, a full set of Harry Potter books, and more. You can also earn a raffle ticket for each program that you attend.

## Adult (18+) Challenge:

For every 75 minutes that you read, you get a raffle ticket for a weekly prize drawing. The weekly prize is a tote bag with book themed prizes and a \$20 gift certificate for a local business. If you read 600 minutes, you get a free book and a raffle ticket for our grand prize of an Explorer+ Membership to the Science Museum of Minnesota.

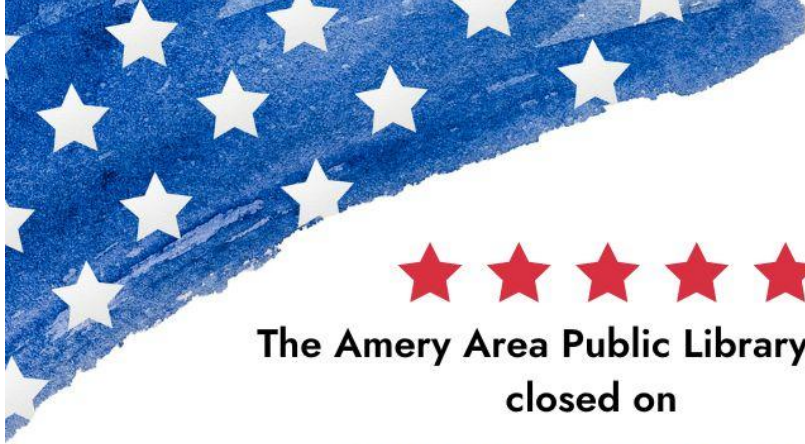

For both reading challenges, you can track your reading using a paper passport available from the library or online using our Beanstack website.

Pick up our summer calendar at the library or download a copy using the button below. The passports will be available at the library on June 3.
