

Hello Trevor,

The summer is flying by! This was the halfway mark of our Summer Reading Program. At our Oyster Mushroom program, people learned how to grow oyster mushrooms at home! In a few weeks, the participants will have tasty mushrooms to eat! Our [Pokémon Club](#) had their monthly meeting, and on Wednesday, volunteers from the League of Women Voters read at our Storytime. The kids learned how to vote and we had an election for their favorite animal (the dog won!). Then on Thursday, our [Non-fiction Book Club](#) met to discuss books about the Olympic Games, and we had a [Minecraft Dinosaur Safari](#).

Next week on Monday at 2 p.m. we have a [Travel Memory Board](#) program aimed at 12- to 18-year-olds. Come make your own board using foam and fabric to display photos and memories! This is a great way to decorate your space, especially if you like to take pictures or scrapbook. Come and craft (and bring photos if you're excited to share about your adventures)!

On Tuesday, you can join us for an afternoon of scientific discovery as we learn about [geodes](#)! Learn what geodes are, how they form in nature, and smash open one of our geodes to reveal the beautiful crystals inside. You break it, you take it home!

Next Thursday, we will be closed for the July 4th Holiday.

Next Saturday, July 6, the Friends of the Library will be having a book sale from 9:30 a.m. to 12 p.m.

Have a great weekend and we hope to see you soon. Remember, [Adventure](#)

Spotlight: World Travel Party

A graphic for the World Travel Party. It features a central globe with various world landmarks floating around it: the Eiffel Tower, the Statue of Liberty, Big Ben, the Leaning Tower of Pisa, and a pagoda. A banner across the globe reads "WORLD TRAVEL PARTY!". In the top right corner is the logo for Amery Area Public Library (aa pl). Below the globe, the text reads "Come celebrate traveling the world with us!" followed by "Saturday, July 13th 10am to 12pm" and "All ages welcome!".
