

Hello Trevor,

This was an exciting week at the library as on Tuesday we had a Grand Opening for our new 24/7 Holds Pickup Locker! The people who came, which included members of the library board, city council, and local families, learned how to place holds and pick them up from the locker. Read more about our new 24/7 Holds Pickup Locker below in the Spotlight Article.

Saturday, August 24th from 10 a.m. to 12 p.m. we are having a special back to school program called "Back to School with Daniel Tiger". Get ready for the new school year with PBS Kids resources and Daniel Tiger-themed activities! We'll make a healthy treat together, strengthen STEM skills with basic coding and magna-tiles, create Daniel Tiger's watch, and more!

Next week on Tuesday we are having our monthly Pokémon Club meeting from 4:00 - 5:00 p.m. On Thursday at 2 p.m. our Non-fiction Book Club is meeting to discuss books about inventors and/or inventions. It's not too late to read a book and join them for a lively discussion. Then at 4 p.m. on Thursday we are having an Ocean Party! Local author Kathy Groth will read from her new book, *Ocean Party*. This will be followed by a craft.

Finally, our Amery Police Department and library school supply drive continues through September 5th. You can drop off supplies in the library lobby and shop for supplies in the Makerspace on the lower level. See below for details.

Have a great week!

Thanks for reading,  
the Library Staff

**Spotlight: 24/7 Holds Pickup Locker**

Some may have noticed the large object on the sidewalk to the right of our steps at our main entrance. As it says in the above picture, this is a 24/7 Holds Pickup Locker. When you place a hold on an item using your MORE library account, such as books, or DVDs, you can now tell us to put them in the locker instead of the Holds Shelves inside the library. Once your items are placed in the locker, you will be able to pick up your items any day at any time. This allows us to make our collection available 24/7 for people who prefer the convenience of curbside pickup or cannot get to the library during our normal hours!

You can even call us and ask us to move items from the inside Holds Shelves to the locker if you realize you can't get to the library before we close at 6 p.m. Please call at least one hour before we close to give us enough time to do this for you.

Click on the buttons below to watch videos to learn how to put items on hold for

pickup at the locker and how to use the locker.
