

Hello Trevor,

It was a bitter-sweet week for the staff at the library this week as it was the last week of our Summer Reading Program. While we will enjoy having a quieter month in August as we get ready for the fall, we will miss having additional events every week and seeing so many happy faces at the Summer Reading Programs.

This week, Tuesday was all about snakes as Snake Discovery brought their reptile show **Snake, Rattle & Roll** to the library for two packed sessions. On Thursday, we had an introduction to the wonderful world of **geocaching**,

Saturday, August 3rd at 4 p.m. we are having our Summer Reading Program **Field Day Finale** at North Park. Come play games and have fun! We will be drawing the names of the winners of the Summer Reading Program prizes.

Twice a year we take a month off from Storytime to catch up on planning our programs and services for youth. During August, there will be toys and games available to play with on Wednesdays at 10 a.m. in the Makerspace instead. Storytime will be back in September!

Have a great week!

Thanks for reading,
the Library Staff
