

Amery Area Public Library Newsletter

Friday, August 30th, 2024

Hello Trevor,

It's hard to believe it is the end of August! Where did the summer go? We hope you had a good summer and were able to come to some of our Summer Reading Program events. We have been busy planning special events for fall, including a class on making mustard, a homeschool-focused program, and Dungeons & Dragons programs. Our history lecture series is returning for the fall, and our genealogy class continues through November.

We are closed on Monday for the Labor Day holiday, but you can put items on hold in our new **24/7 Holds Pickup Locker** and pick them up anytime!

On Wednesday, Storytime returns at 10 a.m. The Friends of the Library are having their monthly book sale on Thursday from 3 to 5 p.m. and Saturday (September 7th) from 9:30 a.m. to 12:00 p.m. Our Books & Brews Book Club will meet on Thursday at 6:00 p.m. at Amery Ale Works. They will be discussing the book *Tom Lake* by Ann Patchett - there are still a couple copies available at the library if you want to read the book and join the discussion. On Friday, we will be bringing books to people in their home through our Home Delivery Program. For details about this program go to <https://amerylibrary.org/home-services/>

Finally, our Amery Police Department and Library School Supply Drive continues through September 5th. You can drop off supplies in the library lobby and "shop" for supplies in the Makerspace on the lower level. See below for details.

Have a great week!

Thanks for reading,
the Library Staff

Spotlight:
Chilton Library

Need to work on your car, truck, or van? Check out the Chilton Library database for repair, maintenance, and service information on most cars, trucks, vans, and SUVs. It provides step-by-step procedures, diagnostic and troubleshooting help, and a video library.

This database is part of BadgerLink, Wisconsin's online library. These resources are made available through the Wisconsin Department of Instruction. They cover a wide range of topics from personal interest to educational research.
